On March 27, 2017, J at 6:30 pm, PLIC (Preserve Lummi Island Community) will hold a general meeting at the Beach Elementary School on Lummi Island. Among other agenda items, Charles Bailey, a LIFAC member, will be presenting LIFAC's ferry usage data analysis. An opportunity for public feedback regarding LIFAC's proposed scope of work for an alternatives analysis study for a new ferry is also on the agenda.

It is possible that a quorum of Lummi Island Ferry Advisory Committee (LIFAC) members may be in attendance. However, no LIFAC action will be taken at that meeting.

Regards,  
Nancy Ging  
LIFAC Vice Chair
