

Health Protection for Immigrant Families Task Force Convened by the Public Health Advisory Board

Agenda

Thursday, July 11th, 2019
3:00 - 4:30 pm

Villa Santa Fe
804 W Bakerview Rd
Bellingham, WA

- **Welcome and Introductions**
- **Purpose of today's meeting:**
 - To begin developing the evaluation report
- **Overview of the Process**
- **Themes from Information Gathering Sessions in May and June**
- **Developing the Report**
 - Presentation of rough draft outline for the Report to PHAB/Health Board
 - Feedback – work as a group to refine the draft outline, and further develop structure and content
 - Identify research needed before next meeting
 - Confirm date for next meeting
- **Wrap up, Next Steps**

Purpose of the Task Force:

“To evaluate existing systems and support services for families impacted by the threat of deportation including access to health care, mental health, housing and other social services, considering cultural, safety and language barriers preventing access.”
