### **Commission Discussion Items**

Public Safety Testing wants to know if Whatcom County wishes to continue allowing candidates who live in other states to test through its Out of State program. Tests are the same as those administered in Washington, and are proctored by a reliable person in the other state. Physical Abilities Test is administered in-state at the candidate's convenience. Candidates would not be eligible for oral boards until they had successfully passed both the written and physical tests, just like an in-state candidate. With input from the Sheriff's Office, Commissioners decided to continue allowing out of state testers.
