

South Pass Road / Saar Creek Bridge No. 212 Replacement CRP No. 911004

Upcoming Construction Project Notification

Project Newsletter Number 2

June 24, 2016

The Whatcom County Public Works Department is planning the replacement of the South Pass Road / Saar Creek Bridge No. 212 during this summer of 2016. For safety reasons, South Pass Road will be closed at Bridge No. 212 during construction.

Location: South Pass Road at Saar Creek, southeast of Sumas, WA.

Project Details: This bridge replacement consists of removing the existing bridge and installing new piles, abutments, girders, deck, approach slabs, barriers, guardrails, and other improvements. The contract for this work has been awarded to Strider Construction Co., Inc. in the amount of \$790,787.

Traffic Limitations: The bridge will be closed beginning July 13, 2016 through the end of October 2016. A signed detour route will be established to bypass the bridge via Frost Road to Reese Hill Rd/SR547 to Kendall Rd/SR547 (and reverse).

We have made a great effort to send this notice to all property owners and residents potentially affected by this project; however, we would appreciate your cooperation in sharing this information with those who may not have received this newsletter.
