

Administrative Use Permit Application

Prior to administrative use permit (ADM) application you are encouraged to have a pre-application meeting. Please see the **Pre-Application Meeting** application for requirements.

Administrative Use Permit Processing Sequence

- (1) Complete all applicable application materials and studies and all requirements outlined in the pre-application meeting (if applicable) and contact the planner who attended the meeting to schedule a time for submittal of the ADM application. The applications will be taken in at the front counter and considered vested upon receipt of the applicable fees and Determination of Completeness.
- (2) Once the application and fees are submitted, staff will review the project and if all items are submitted, a Determination of Completeness will be issued to the applicant. The application materials will be routed to the **Technical Review Committee** and a **Notice of Application** will be posted at the site and mailed to surrounding property owners.
- (3) After all of the comments have been received from the Technical Review Committee and citizens staff will forward them back to the applicant. If it appears that the basic requirements of consistency with the zoning criteria and comprehensive plan, water supply, sewage disposal, access, and critical areas all appear to be reasonably satisfied, the Technical Review Committee will then complete the **State Environmental Policy Act (SEPA)** review (if applicable).
- (4) If, after the Technical Review Committee meeting, there are still items that need to be addressed by the applicant, the Technical Review Committee will issue a **Notice of Additional Requirements (NOAR)**. The applicant shall have 180 days from issuance of the NOAR to submit requested items.
- (5) After all items have been review and the Technical Review Committee conditions have been received staff will issue an approval of the administrative use.
- (6) Generally, The applicant shall complete construction or, if no construction is contemplated as a part of this permit, shall demonstrate compliance with all of the conditions of this permit within 24 (twenty-four) months of the date of the issuance of this decision. Failure to complete construction or demonstrate compliance shall result in the expiration of this permit.

Administrative Approval Application

Intake Checklist

Applicant Checklist		PDS Checklist
<input type="checkbox"/>	8 copies each - Completed and signed Administrative Approval Application	<input type="checkbox"/>
<input type="checkbox"/>	8 copies each - Completed and signed Supplemental Application(s) (if applicable)	<input type="checkbox"/>

Describe Existing Development on Proposed Site:

Proposal Description (Be specific):

To demonstrate that your proposal complies with the applicable administrative approval use criteria (WCC 20.84.235 and WCC 20.84.220) please answer the following questions as completely as possible.

1. Describe how this proposal is in accordance with the general and specific goals and policies of the Whatcom County Comprehensive Plan and Zoning Ordinance.

2. Describe how the proposed development will be designed, constructed, operated, and maintained so as to be harmonious and appropriate in appearance with the existing and intended character of the area.

3. If located in a rural area (as designated in the Comprehensive Plan), will be consistent with rural land use policies as designated in the rural lands element of the Comprehensive Plan.

4. Describe any activities related to this proposal that may be hazardous or disturbing to existing or future neighboring uses.

5. List all essential public facilities including, highways, streets, police and fire protection, drainage structures, refuse disposal, water and sewers and schools that are available to serve this development. Also, list any services which will need to be constructed or improved.

6. Describe any public costs for facilities and services that will result from this proposal, and indicate whether or not the proposal will be detrimental to the economic welfare of the community.

7. Describe any uses, activities, processes, materials, equipment and conditions of operation that may be detrimental to any person's property, or the general welfare by reasons of excess traffic, noise, smoke, fumes, glare, dust, or odors.

8. Describe how the sites driveway accesses (vehicular approaches) will be designed so as to not create interference with traffic on surrounding streets.

9. Describe any natural, scenic, or historic features of importance located on or near the subject site, including wetlands, shorelines and archaeological finds.

Proposed Land Disturbance

Any fill, grade or clearing within 300 feet of critical areas requires review and approval from Whatcom County prior to commencing any project work. Any fill or grade in excess of 50 cubic yards requires a land disturbance permit. Answer all questions completely and as accurately as possible.

FILL The deposit of earth material by artificial means.						
BY FEET	Length (ft)	Width (ft)	Depth (ft)	Volume (ft ³)	Divided By 27	= Cubic Yard
Septic	X	X	=		/ 27 =	CY
Driveway/Road/Parking	X	X	=		/ 27 =	CY
Building site	X	X	=		/ 27 =	CY
Other	X	X	=		/ 27 =	CY
MATERIAL SOURCE:					TOTAL VOLUME:	CY

EXCAVATION The mechanical removal of earth materials. Grading is an excavation or filling or combination thereof. Earth material is any rock, natural soil, fill, or any combination thereof.						
BY FEET	Length (ft)	Width (ft)	Depth (ft)	Volume (ft ³)	Divided By 27	= Cubic Yard
Septic	X	X	=		/ 27 =	CY

Instructions for Obtaining Names, Addresses and Parcel Numbers of Property Owners within 300 – 1,000 Feet of Your Property for Notice Purposes

It is the applicant's responsibility to obtain a complete, up-to-date list of all owners of property located within 300 feet of the property boundaries (if within an Urban Growth Area) or 1,000 feet (if outside an Urban Growth Area) of the subject parcel in this application. Failure to provide a complete list may result in a delay of the processing of the application or a continuance of a scheduled hearing.

The above information may be obtained either from a Title Company or the Whatcom County Assessor's Office located in the Whatcom County Courthouse. The Assessor's Office staff will assist you in locating the required maps and scaling the 300 or 1,000 foot distance. There is a public computer available for your use. These instructions will aid you in locating the required information:

- ◆ Locate the subject parcel (your property) on the appropriate map using your Assessor's Parcel number from your tax notice.
- ◆ **Carefully** measure 300 feet or 1,000 feet from the subject property boundaries in all directions (including across and roads). List the complete 12 digit parcel numbers of all properties located within the required 300 or 1,000 foot area.
- ◆ Using the assessment roll on the computer, find the owner of each parcel.
- ◆ If the owner listed is a bank, savings and loan or other financial institution, you must also record the title owner's name and loan number from the listing. If there is no name other than the loan number and the financial institution, list the name and address of the financial institution, as they may be able to forward the notice if they are provided with the loan number.
- ◆ Make sure you obtain the most up-to-date assessment roll, in case a property may have been recently sold.
- ◆ Using the name and address master file, locate the mailing address of each parcel owner. Those not in the name index may be located through the telephone directory, city directory or other sources. This address is vitally important and must be complete and legible.
- ◆ This list of property owners, their mailing addresses and parcel numbers must be submitted with your permit application. County ordinances and due process requirements make the provision of proper notice to property owners within 300 feet or 1,000 feet (depending upon whether it is located within a Urban Growth Area) of the subject parcel mandatory. No permit can be granted if the notice is defective. The Hearing Examiner requires strict compliance with the notice provisions of the ordinances.
- ◆ The applicant is also required to submit **typed, self-adhering (self-stick) mailing labels** containing the name and address of each of the above property owners, with the
