

Public Meeting Notification

North Lake Samish Drive Bridge No. 107 Replacement Project

CRP No. 913006

Public Meeting #2, February 7, 2017 6:00pm-8:00pm

Project Schedule

This Public Meeting is the second of three meetings planned to coordinate with the Lake Samish Community and affected stakeholders.

The meeting will be held at the Lake Samish Fire Station located at 717 West Lake Samish Drive. The meeting will begin promptly at 6:00pm and last approximately two hours.

The TS&L is scheduled to be completed in May 2017 and will help to support funding requests for the design and construction phases.

Project Details

- ◆ The Whatcom County Public Works Department is beginning work to determine a potential replacement of the structurally deficient bridge at the north end of Lake Samish
- ◆ The first step in this process is the completion of a Type, Size and Location Study (TS&L)
- ◆ Public Works wishes to engage with the Lake Samish community and affected stakeholders to gather early input to help shape the TS&L

Meeting Schedule Will Include:

- ◆ Summary of information gathered during Public Meeting #1 and from online survey
- ◆ Presentation of three bridge design alternatives created utilizing public feedback
- ◆ Group discussion to determine specific elements to be considered for incorporation into the final bridge design

For more Information

- ◆ Please visit the project website located at: <http://wa-whatcomcounty.civicplus.com/2268/N-Lake-Samish-Rd-Bridge-No-107>
- ◆ Contact James Lee, P.E., Engineering Manager or Doug Ranney, P.E., Project Engineer at (360) 778-6210

Para información en Español por favor póngase en contacto con Obras Públicas en el teléfono (360) 778-6210. Gracias.
