**FOR IMMEDIATE RELEASE:**

### **Hertz Trail Reopens**

Efforts to clean up landslide debris on the Hertz Trail, in Lake Whatcom Park, are substantially complete and the trail is again open to the public.

Visitors should expect the trail to be closed again for several hours next week for final cleanup work. Timing of that work is weather dependent.

For more information on this activity, contact Whatcom County Parks & Recreation office at 1.360.778.5850.
